TALLMADGE IS TOO SICK TO STAND TRIAL

PHYSICIANS NAMED BY COURT SAY HE MAY DIE ON WITNESS STAND

CASE IS CONTINUED

Action Taken After Conference With Attorney General Carlstrom

The case of the People vs. Floyd C. Tallmadge, indicted by the grand jury for receiving deposits while president of the Mommence State and Savings bank, has been continued to the May term by agreement of the state's attorney and counsel for Tallmadge. Tallmadge was indicted at the January term, 1926, and was tried at the October term, 1926, the jury returning a verdict finding him guilty and sentencing him to the state penitentiary.

This case was taken to the Supreme Court and there reversed on grounds that the depositor, O. Tallmadge, had checked out of the bank the amount of the deposit after the depositor had been arrested and the Supreme Court held that Bigelow had lost no money in the bank, and therefore Tallmadge could not be indicted for receiving the deposit.

Shortly after the first case was tried Tallmadge suffered a breakdown in health at his home in Madison, Wis. Efforts were made by Dr. M. J. Jensen to force him to stand at the October term, 1928. A motion for continuance was filed by Tallmadge, supported by the affidavit of two or three doctors from Madison, Wis., saying that Tallmadge had suffered a cerebral hemorrhage and his physical condition was such that time might result fatally.

In order to ascertain Tallmadge's condition Judge Hill, the presiding judge in the case, appointed Dr. W. P. Cannon of Kankakee to go to Madison, as the court physician, and examine Tallmadge and report his condition.

Dr. Cannon reported that Tallmadge was suffering from a cerebral hemorrhage that the left side of his body was paralyzed, that his speech was affected and his mind confused, and that in the opinion of the doctor he was not in condition to stand the strain of a long trial. Upon receipt of this report the Tallmadge case was again continued. Efforts were made at various times by State's Attorney Jensen to get the case to trial but without success owing to the physician condition of Mr. Tallmadge.

In November, 1929, Judge DeSelm, at the suggestion of Judge Hill, set the Tallmadge case for trial as the first case on the criminal docket of the January term of court. Affidavits were again secured from physicians in Madison for the purpose of using them in support of a motion for a continuance. Tallmadge having suffered a second but lighter stroke of apoplexy on September 19, 1929.

Brought Here
In order that Mr. Tallmadge's true condition might be ascertained it was agreed between State's Attorney Johnson and Mr. Tallmadge that he should be brought to Kankakee for the purpose of being examined by two or more distinguished physicians to be selected by the State's Attorney and Mr. Tallmadge. This suggestion came following a conference in the office of Attorney

FLAMES TAKE 2 BUILDINGS AT SHELDON

ROOF OF CHURCH CRASHES IN AS CHILDREN LEAVE IN PROCESSION

COMPLETELY BURNED

Frank Shrimplin Farm Home Was Also Burned To Ground; Ignited By Oil

Sheldon, Jan. 20.—(Special)—Within a few minutes after an alarm of fire had driven approximately 100 children from the Sunday school rooms of the Christian church here Sunday morning about 10:30 o'clock, the roof of the edifice crashed in and the building was completely reduced to ashes.

The loss is estimated at about \$10,000, including heat damage to the parsonage nearby. Only a few pieces of furniture were saved, such as the pulpit and piano. It is thought that the fire started from a defective flue, and first appeared around the chimney. The flames had gained considerable headway before discovered. The Sheldon volunteer fire department, rated as one of the best volunteer organizations in that part of the state, was delayed by frozen hydrants and the flames were soon beyond control. The Sunday school children were marched out in an orderly procession under the supervision of teachers and church members.

The church was built in 1891 and on the day before the fire the last indebtedness had been paid off. It was a large frame structure.

Farm Fire
As the firemen, half frozen and almost overcome with smoke and fatigue, were leaving the scene of the fire about noon, they received another call from the Frank L. Shrimplin farm home, about three miles northwest of Sheldon. This home, a completely modern house, two stories, was burned to the foundations.

The fire is supposed to have started from a bucket of oil which had been drained from an automobile and placed on the kitchen stove to heat. The oil ignited and Mr. Shrimplin tried to carry the container outdoors. The blazing oil was scattered on the floor and the fire spread rapidly.

All of the contents of the house were burned, but other farm buildings were saved. Mr. and Mrs. Shrimplin were badly burned in their efforts to fight the fire. The loss is estimated at about \$12,000, covered by insurance.

Mr. and Mrs. Shrimplin and their son, Thomas, are making their home at present on an adjoining farm with Mr. Shrimplin's brother, Abe. They plan to rebuild.

HARD TO GET JURY TO TRY MURDER CASE

BRANIGAN TRIAL STARTS BEFORE CROWDED COURT ROOM HERE TODAY

FOR STRAHL KILLING

First Murder Trial Here In 15 Years; Johnston May Ask For Death Penalty

With prospects that a jury will not be secured until late Tuesday afternoon, at the earliest, the circuit court room was jammed to the doors and all aisles occupied by spectators who were standing elbow to elbow when the case of Lawrence Branigan, accused of the murder of Fred Strahl in this city last Sept. 11, was called for trial at 10 o'clock by Judge A. W. DeSelm.

This is the first murder trial in Kankakee county in the last fifteen years. The last murder case in which the defendant stood trial was Dominic Sabello who was convicted in June of 1914 for the murder of Edward Bird, a New York Central engineer. This case was tried before Judge Campbell. Branigan, indicted jointly with Clarence "Cooney" Bertrand for the Strahl killing, is the first man to stand trial on a murder charge before Judge DeSelm.

The first twelve jurors who were placed in the box this morning, in the order in which their names were called by Circuit Clerk Joseph Tolson, were: Alfred E. LaRocque; Manteno; June Meyers; Norton; C. Newbold; Kankakee; Henry Rick; Kankakee; Ralph Shaw; Kankakee; Everett Butler, Bourbonnais; F. W. Traak; Kankakee; George Oam; Norton; George Rathman Jr.; Limestone; E. F. Radeke; Kankakee; P. O'Brien; Kankakee; Joe Understock; Kankakee.

Two jurors of the panel of 34 were excused before the venire was impaneled. They were E. J. LeBeau of Kankakee and Amos S. Gersman of Limestone. Rathman was the first juror examined and he was excused when he admitted that he had formed an opinion as to the guilt of Branigan through articles which he had read in the newspapers. Under the law, each side is permitted to excuse 30 jurors unprompted and may excuse any unlimited number for cause. There is little likelihood that a jury will be obtained from the present panel and Judge DeSelm is preparing to announce an additional venire if the necessity warrants.

Death Penalty?
State's Attorney T. R. Johnston was interviewed as the case was called, but still declined to announce whether or not he will demand the death penalty for Branigan. Announcement of his decision will probably not be made until his opening statement to the jury.

Branigan was led from the county jail to the court room, handcuffed, by Deputies Leo Tetreault and Henry Greenwood. The handcuffs were unlocked as he entered the court room and sat beside his attorneys, Vernon G. Butts and Irwin Taylor. Johnston was aided by Assistant Attorney Charles W. Kurtz. Branigan was not as smiling as he was last week when he pled not guilty upon his arraignment. He was calm, however, and produced a package of chewing gum and inserted a large "wad" in his mouth. He was busy with paper and pencil and jotted down notes during the questioning of the jurors by the attorneys.

F. P. Radeke was also excused as a juror by the state. The places of Rathman and Radeke were filled by Boyce Skelly, Aroma, and Arthur Dubois, Sumner.

RAGAN WILL NOT BE GIVEN TO KANKAKEE

State's Attorney Roy O. Oltine of Champaign county has announced that he will not surrender William S. Ragan, held in jail at Urbana, to Kankakee county for trial on a charge of robbing the First National bank at Grant Park last May. The lone bandit who held up the Grant Park bank secured \$2,333 in currency.

Oltine states that Ragan will be indicted in Champaign county on a charge of assault with intent to commit robbery which carries a penalty of from one to 14 years in the state penitentiary. The attempted robbery occurred at Fisher, Ill., several months ago. Ragan was wounded at that time and was captured a few days later when he took refuge in a hospital at Chicago. He was indicted here by the January grand jury.

MARRIAGE LICENSE
A marriage license was issued here today for Leo Bourrelle and Theresa Jankowski, both 22 and of Hammond, Ind.

Payette J. Plenz of Redick has been awarded a promotion in the foreign service, according to telegraphic dispatches received from New York today.

COOLEY-RESIGNS TO JOIN SON IN TUCSON, ARIZONA

After fifteen years of service as manager of the local branch, James E. Bennett and Company, Melvin Cooley today announced his resignation. Mrs. Cooley left last evening for Los Angeles, Calif., to be at the bedside of their son, Tom, and Mr. Cooley will follow soon. It is possible that their future home, for a time at least, will be at Tucson, Arizona.

Well known here because of his engaging personality and his prowess in several lines of athletic sport, Tom Cooley has been at Tucson, recovering from a recent severe illness. He was apparently on the road to health, was playing a splendid game of golf, holding the course records at Phoenix and Tucson, and had gained 40 pounds in weight. At Christmas time, he went to Los Angeles to play in the National Open Golf Tournament, and while so engaged was caught in a downpour of rain, causing a relapse. He is now reported in a serious condition and his parents will join him in Los Angeles to personally take care of him.

T. E. Decker, formerly manager of the James E. Bennett branch office at Watseka and Decatur, will replace Mr. Cooley. Burrell Triggs will remain as assistant manager.

CONGRESS GETS BUSY WITH THE PROHIBITION QUES.

Washington, Jan. 20.—(AP)—Prohibition quickly claimed the attention of congress today as soon as it returned to work from the week-end recess and at the same time discussion of the question was carried to the White House by Representative Stroh, Democrat, New York.

The senate judiciary committee appointed sub-committees to consider various phases of the Hoover program for reorganization of dry law enforcement. The committee took no action on the Blaine resolution proposing outright repeal of the eighteenth amendment.

It is on this measure that the senate may sometime this session vote the first out and out vote on the wet and dry question since the amendment was adopted.

In the house Representative Mary K. Norton, Democrat, New Jersey, offered a resolution to provide for a referendum on the repeal of the amendment. Her proposal was referred to the house judiciary committee for consideration. Mrs. Norton said prohibition "as an experiment, noble or otherwise," had failed.

Stroh, after a call on Mr. Hoover, said he had urged the President to recommend legislation requiring that denatured alcohol be processed with non-poisonous materials. He described the chief executive as having been interested.

At the same time the house expenditures committee prepared to open hearings Wednesday on the proposals to transfer the prohibition bureau from the treasury to the justice department, announcing that Secretary Mellon would be the first called for testimony.

Announcement of an army contribution to the administration effort for stricter enforcement also came today with a statement by Secretary Hurley that regulations had been amended to make violations of the prohibition laws a military offense. Army regulations since 1927 have prohibited the possession of liquor on government reservations but they made no specific reference to the national prohibition law passed in 1918.

The new regulation has been in effect since October and charges the commanding officer of each military station with enforcement of the prohibition laws within his jurisdiction. Also it extends army discipline to any officer convicted by civil authorities of prohibition law violations off government reservations.

SALE OF CARS
Two automobiles, picked up by the police on the streets of this city during the past several months and unclaimed, will be offered for sale tomorrow afternoon at 1:30 o'clock, at the city hall. Clear title will be given with these cars, the sale having been advertised as the law requires.

RETURNED FROM ARIZONA
Mr. and Mrs. L. F. Leacor arrived home from Tucson, Arizona yesterday. Both expressed their delight at being home again and are feeling fine.

INFANT EXPIRES
Betty Jane, infant daughter of Mr. and Mrs. Lucian Vannose, 259 South Wabash avenue, Bradley, died Sunday. Funeral services were held this afternoon from the J. P. Hickey funeral home. Burial was in Mount Grove cemetery.

SO THAT'S THE REASON!

Many readers will probably recall the ridiculous insinuations which appeared in the Chicago Daily Tribune about a year ago, which the writer of the following may have had in mind, as well as the present snowbound conditions of Illinois: The Illinois State Register of Springfield, last week, published the following quip in its "Lighter Vein" column: "Can it be possible that the outgoing governor also took the snow shovel?"

MAROOED VICTIMS OF HOOSIER FLOOD RECEIVE SUPPLIES

Vincennes, Ind., Jan. 20.—(AP)—Ray Sisson, justice of peace at Decker and two other men today made another trip down White river in a powerful motor boat to deliver supplies to approximately 100 flood victims marooned on the Orrville hills along the Wabash river in southwestern Knox county.

A quantity of dynamite also was taken to blow a hole in the Brevoort levee at that point to release water seven feet deep which has piled up since the break in the White river levee several days ago. The flood water is about 30 inches higher than that in the Wabash river.

Sisson and his crew made their way down the swift waters of White river yesterday, the first persons to reach the Orrville community for nearly a week. People living in the lowlands had fled to the hills and were found living in the school house and homes on the highland.

No loss of life had been reported. Sisson said. He reported some illness among the refugees on the Orrville hills and said that Dr. E. F. Small of Decker would be taken there tomorrow.

There are some refugees in Decker and Hamilton as well as other nearby towns, Sisson said, but all are being taken care of.

St. Wabash and White rivers continued to fall today.

CHIEF OF POLICE AND SHERIFF WILL LEAVE FOR MIAMI

Chief of Police W. J. Riley and Sheriff Ed Hoenicke plan to leave tomorrow morning by train for Miami, Florida. They will take with them a warrant for the arrest of W. Roy Farrant, a musician, who formerly resided on Myrtle avenue.

The warrant, which was signed by Earl C. Harris, alleged to be Farrant's father-in-law, charges the abandonment and refusal to care for his child, less than one year of age.

Four arrests for traffic violations were made Saturday and Sunday by officer Gene LaFontaine. Donald LaCoste, 720 North Schuyler avenue, was arrested last evening for speeding and running a through street. Richard Cahill, 228 South Wildwood avenue, was also arrested yesterday afternoon on a charge of speeding on East Court street.

John Golding, 754 South Lincoln avenue, was arrested Saturday evening for running the through street at Indiana avenue and River street. Carl Handorf, 867 South Evergreen avenue, was arrested Saturday evening for running a through street, reckless driving, and having "only one headlight."

Ray Johnson, 479 1-3 North Harrison avenue, reported to police headquarters Saturday night that his 1927 model Chevrolet had been stolen from the 100 block East Oak street. The car carried license number 699-142.

SWEENEY ESTATE TO WILL C. SCHNEIDER

The will of Mrs. Anna Sweeney, Kankakee, was filed in probate today. After stipulating that an amount be set aside for a monument on her grave, the entire estate is left to her friend, Court Reporter Will C. Schneider who is also named executor.

Mrs. Sweeney stated in her will that she had previously expressed her wishes as to disposition of the estate to Mr. Schneider. The only surviving son, John Robert Sweeney, has been missing for some time and his whereabouts are unknown.

NAVAL PARLEY PREPARATIONS ARE FINISHED

REPRESENTATIVES OF FIVE SEA POWERS MEET IN LONDON TUESDAY

LIMITATION PROGRAM

History-Making Conference On The Limitation Of Ships Of War

BULLETIN:
New York, Jan. 20.—(AP)—The time of the NBC rebroadcast of the opening ceremonies at the five-power naval disarmament conference tomorrow morning has been advanced 20 minutes. The pickup is to start at 5:40 a. m. eastern standard time, instead of 6 o'clock. The address of King George of England, will open the parley.

BULLETIN:
London, Eng., Jan. 20.—(AP)—King George, who tomorrow will open the naval disarmament conference, today received all the delegates to the conference at Buckingham palace.

BY BYRON PRICE
(Associated Press Staff Writer)
London, Jan. 20.—(AP)—Preparation of the elaborate diplomatic and physical settings of the London Naval conference which opens tomorrow were completed this afternoon with the American delegates playing a prominent part and battle-ships momentarily the absorbing topic of discussion.

The Washington disclosure that President Hoover was ready to move for battleship reduction was received generally as one of the most hopeful signs although it was realized that the offer must be conditional on what others are willing to do.

The British, who would be affected most, made no comment. The Japanese apparently were distinctly favorable. Great Britain already has indicated that she would go far toward scaling down battleship fleets but of course on both sides the real difficulty is calculating reduction which would mean real parity.

Italy's evident purpose to stand pat on her demand for parity with France meantime is troubling the delegates and some lesser clouds are hovering above Westminster Palace where the conference opens tomorrow, although on the whole the atmosphere appeared one of cordiality.

All five delegations met this morning with Prime Minister MacDonald at No. 10 Downing street and had no difficulty in agreeing on a program designed to avert the weakness encountered at Geneva in 1927 where actual discussions were left to minor commissions.

Here the Chiefs of the delegations themselves will constitute the real big five where the major decisions will be made.

The last detail of the preliminary was a call by the delegates on Buckingham Palace late this afternoon to be received by King George who returned to London at noon from Sandringham.

King George First Speaker.
King George will speak first at tomorrow's ceremony. He will be followed in order by Prime Minister MacDonald, Secretary of State Stimson, Premier Tardieu, Foreign Minister Gradi of Italy, Ex-Premier Wakatsuki of Japan, Minister of Defense Ralston of Canada, Minister of Trades Pension of Australia, High Commissioner Wilford of New Zealand, High Commissioner to Western of South Africa, and High Commissioner Chatterjee of India.

Secretary of State Stimson and the American delegation were cordially received by King George today who chatted with Colonel Stimson for three or four minutes before greeting Ambassador Davies.

The visitors wore morning dress and each walked ten paces distant from his Majesty while his immediate predecessor was being presented. They were instructed before entering not to talk to King George unless he began the conversation.

The King recognized many of those in the line and detained Dwight W. Morrow for several minutes.

In conversing with Mr. Morrow, the King, who is particularly interested in Mexico, asked a number of questions about the Ambassador's work there.

Downing Street Meeting
London, Jan. 20.—(AP)—The following official report on this morning's meeting of the naval delegates at No. 10 Downing street this morning, at which all of the principal delegates to the London naval conference were present, the procedure for the conference was discussed and the following proposals unanimously adopted: (1) That the Prime Minister of the United Kingdom should be elected.

Gladys Parks Is Sentenced To 25 Years

Camden, N. J., Jan. 20.—(AP)—Gladys May Parks convicted of second degree murder and manslaughter for the deaths of two children was sentenced today to 25 years imprisonment.

She received 25 years on the second degree charge of killing Dorothy Rogers, 4 years, and 10 years on the manslaughter charge for the death of Timothy Rogers, the sentences to run concurrently.

FORMER KANKAKEE STATE HOSPITAL PHYSICIAN HELD

Chicago, Jan. 20.—(AP)—Dr. Effie L. Lobdell, prominent surgeon and member of a well known Chicago family, was arrested at her home in a Michigan avenue hotel yesterday on a warrant charging murder by illegal operation. She denied the charge.

The warrant was sworn out by Frank Sobory, a garage owner, following the death of his wife, who at the time was expecting child-birth.

Dr. Lobdell appeared at the detective bureau and flatly denied the charge. She said she treated Mrs. Sobory but there was no operation. Her bond was fixed at \$10,000, furnished by her attorney.

Dr. Lobdell, formerly chief woman physician on the staff of the Eastern Illinois hospital for the insane at Kankakee, is a fellow of the American college of surgeons.

KANKAKEE MEN TO BE TRIED FOR MURDER

BERTRAND, BARNABY AND FARRANT PLEAD NOT GUILTY AT MORRIS TODAY

TRIAL DATE FEB. 17TH

Whittemore And Cardot Attorneys For Barnaby; C. E. Beach For Bertrand

Clarence "Cooney" Bertrand, Victor Farrant and Sam Barnaby, all of Kankakee, will stand trial in circuit court at Morris on Monday February 17, for the murder of William Schmidt which occurred in the Yellow Dog Inn, near Dwight, on Nov. 15, 1926.

The Kankakee trio pleaded not guilty to the murder charge on which they were jointly indicted when arraigned before Judge Hayes at Morris this morning. All were remanded to the Grundy county jail and ordered held without bond upon the order of States Attorney F. L. Flood and Sheriff Harry Jones.

Bertrand was represented by Attorney C. E. Beach of Gilman. Attorneys H. H. Whittemore and Victor M. Cardot, of Kankakee, appeared for Barnaby. Farrant was represented by Attorney J. W. Rauch of Morris.

Bertrand is also indicted for the murder of Fred Strahl in Kankakee. He is named individually and jointly with Lawrence Branigan, whose trial started here today. In the event that he "beats" the murder charge at Morris he will be re-arrested for Kankakee to stand trial for the Strahl slaying.

Farrant is also under indictment in this county with Mrs. Cecelia Ferno and Phillip Davanti for an extortion and conspiracy plot against Vito Marcone, head of the Italian-Lincoln society in this city. Barnaby is not wanted on any charge in Kankakee.

Pendant and Barnaby were arrested for the Morris authorities several weeks ago by Detective William Cantlin who may be called as a witness against the trio. Bertrand was released from the local county jail to stand trial at Morris through the consent of States Attorney T. R. Johnston.

Walton League To Meet This Evening
The Kankakee chapter, Inaak Walton League of America, will hold its annual meeting and election of officers at 7:30 o'clock to night in the supervisors' room at the court house. All members of the organization and anyone interested in its work are urged to attend. After the business meeting there will be refreshments and a smoker. Several important matters of interest to sportsmen in this vicinity will be discussed.

PLEASURE CAR JAUNT ENDS IN TRAGEDY

CARL FORBERG, 63, KILLED IN ACCIDENT AT BOONVILLE

WALKING IN STREET

Claude Moore, Driver Of Death Car, Freed Of Blame By Jury At Inquest

Carl J. E. Forberg, age 63, was killed at 11:45 o'clock Saturday evening while walking on Main street, Boonville, within 200 feet of the residence of Eugene Bennett with whom he lived. Forberg died within 15 minutes after being struck by an Oldsmobile sedan driven by Claude Moore, son of H. L. Moore, Kankakee coal dealer, residing at 901 East Oak street.

At the inquest conducted Sunday by Coroner Octave J. Cartier Moore and his companions in the car were absolved of all blame in connection with the death of Forberg.

Forberg was walking north on the east side of the concrete pavement. The Moore car was proceeding in the same direction. There were sidewalks on both sides of the street but Forberg was walking in the center of the east side of the pavement.

Seen Staggering
Forberg, according to testimony, may have been intoxicated. He was seen shortly before the accident by Mayor Roy Tipton of Bradley who stated that Forberg was staggering from one side of the pavement to the other. He was walking home after visiting for some time at the home of Joseph Joubert, 479 South Third avenue, this city.

With Moore at the time of the accident were Arthur "Red" Magruder of 91 Broadway, Bradley; Miss Alice Joubert, 306 South Harrison avenue, Kankakee; Miss Naomi Monast, Evanston. The young people had left the Magruder residence shortly before the accident and were out on a pleasure expedition to Boonville. All were called as witnesses at the inquest.

Forberg was employed as a fireman by Smith at the Lincoln highway in Boonville. His body was taken to the John P. Hickey funeral home where it is being held pending word from relatives. The deceased had been estranged from his wife the past fourteen years. She is now a resident of Chicago.

Left On Road
Forberg's body was badly mangled. It is presumed that he had to death. After striking the man, Moore drove the car back to the Magruder residence, leaving the body on the pavement. The young woman were hysterical. About 15 minutes later a car driven by Harry E. Lynch, Boonville, discovered the body which was taken to the confectionary store of Roy Arneson, Arneson, Lynch and Roy Rivard then took Forberg to St. Mary's hospital but he died on blood, presumably from loss of blood. Both legs were broken and badly torn.

Moore explained that there was no room in his car when the party discovered they had struck Forberg. The girls were hysterical and they decided to take the young woman to the Magruder residence, not wishing to leave them on the highway at that hour of the night. After the girls were taken to the Magruder home the radiator of the car was found to have exploded which made it impossible to drive the machine any further. When the young men finally returned to the scene in another car Forberg was en route to the hospital.

Moore then drove to Kankakee and reported the accident to Sergeant Michael Quigley at the police station.

Funeral services for Forberg will probably be held Wednesday afternoon from the Hickey home with burial in Mount Grove cemetery. A Swedish minister of Chicago will officiate. Forberg had been a blacksmith here and resided in Kankakee about 20 years.

POLICE DOG SAVES SEVERAL FROM DEATH

Chicago, Jan. 20.—(AP)—Bin, a police dog, was given credit today for having saved Mrs. Mary Eberhart, her three children and six other persons from possible death by fire early yesterday.

The dog leaped upon Mrs. Eberhart's bed, awakening her, when fire broke out in the bathroom and had reached within 15 feet of her. Mrs. Eberhart aroused her children and notified the family in the flat above.

A cigaret was believed to have started the fire. The building was badly damaged.
